Please read the ASQ Code of Ethics below. Compliance with the Code of Ethics is **mandatory** for all certified individuals, whether or not they are members of ASQ.

- ## ASQ CODE OF ETHICS

ASQ requires its members and certification holders to conduct themselves ethically by:

- I. Being honest and impartial in serving the public, their employers, customers, and clients.
- II. Striving to increase the competence and prestige of the quality profession, and
- III. Using their knowledge and skill for the enhancement of human welfare.

Members and certification holders are required to observe the tenets set forth below:

Article 1 — Hold paramount the safety, health, and welfare of the public in the performance of their professional duties.

Article 2— Perform services only in their areas of competence.

Article 3— Continue their professional development throughout their careers and provide opportunities for the professional and ethical development of others.

Article 4— Act in a professional manner in dealings with ASQ staff and each employer, customer, or client.

Article 5— Act as faithful agents or trustees, and avoid conflicts of interest and the appearance of conflicts of interest.

Article 6— Build their professional reputation on the merit of their services and not compete unfairly with others.

Article 7— Ensure that credit for the work of others is given to those to whom it is due.

Email completed form, payment and supporting documents to mmartin@asq.org by October 13, 2015.
