

Full Service Staffing Solutions

Rx RESEARCH Staffing™ (RxRS) provides a nimble and turn-key solution for your staffing needs. We absorb the roles and responsibilities as the Employer of Record so that you can focus your attention on leveraging your human resources to best meet your business objectives.

The RxRS team are Life Science Staffing Experts, and our track record speaks for itself. For over 20 years we have demonstrated a full understanding of the life science industry. We recognize the pace and cycles of the industry, and can quickly respond to your requirements as they change. But even more crucial has been our proven ability to identify, qualify and successfully recruit personnel to the exacting requirements of each client. And we provide all the staff you need including: temp-to-hire, contractors, 1099 conversions, internships, and more.

Execution You Can Trust

Our staffing solution releases you from the administrative and managerial burdens related to your contract staff. Rx RESEARCH Staffing provides:

- All of the back office systems and support
- Payroll, taxes and worker's comp
- Time, expense and budget reporting
- Full personnel management
- Lower exposure to employment law compliance
