FOR IMMEDIATE RELEASE

STOP THE CA BRAIN DRAIN!

On May 22, 2012, learn from six of Southern California's top employee-centric employers who have mastered key practices to attract and retain top scientific and technical talent.

Executives steering the Computer Sciences Corporation, MEIRxRS, Disney California Adventure, Disneyland Resort, Amylin Corporation, Niner Bikes, Abbott Medical Optics and Rx Research Services CRO will share their personal experiences, tips and strategies for success.

Tap into their expertise and learn how to engage, empower and foster employee accountability to generate productivity and profitability when working with multi-generational workers - Millennials to Gen X/Y and Boomers.

Join us at the American Society for Quality (ASQ) World Conference for Quality and Improvement (WCQI) Career Fair at the Anaheim Convention Center Exhibit Hall A. Register now at <http://www.eventbrite.com/event/2945254335> to reserve your seat.

ALL NEWS MEDIA ARE WELCOME TO ATTEND.

About MEIRxRS: MEIRxRS specializes in customized employment service solutions (Retained Recruiting, Full Service Staffing, and Functional CRO) supporting clinical research, regulatory affairs, quality, safety and medical affairs for the pharmaceutical, medical device, biologics, food, cosmetics and dietary supplement industries. MEIRxRS is a woman-owned business certified by Women's Business Enterprise National Council (WBENC). Please visit MEIRxRS at www.meirxrs.com.
